Stair Community Centre

Newsletter Winter 2023 - Spring 2024

What's been happening at the Centre?

Life at the Centre continues to get busier since the days of lockdown. Events and bookings are recovering, families are hosting parties, and friends and neighbours meet up for time together at the regular coffee & cakes each month.

The Heritage Exhibition was very well attended and visitors found lots to look at and shared stories of their connections to the area.

The turn out for the Halloween themed morning was great, with many children turning up in fancy dress and having a great time with the games and activities provided.

The calendar for the start of 2024 is filling up fast, with events booked each month until April. We try to have events to match the variety of interests within the community.

If there is something that you feel is missing from what we organise, please complete the online survey to let us know your views and interests. Use the QR code or email staircommunitycentre@gmail.com for a pdf or paper copy.
