Newsletter Autumn/Winter 2021-2022

Welcome Back!

The Association is delighted to see life returning to the Centre. The last year and a half has been difficult for everyone within the voluntary sector, but thanks to successful grant applications, the hard work and care of the committee and volunteers during lockdown, the Centre is safe and open for business.

It is great to see twelve groups coming back to resume their activities. The Association has been hosting regular morning coffee and home baking events on the fourth Saturday of each month, 10 a.m. to 12 noon. The aim has been to provide an opportunity to meet friends and family for a coffee and chat in a quiet setting away from the hustle and bustle of everyday life.

Invitation

You are invited to join us for our next **Coffee and Cakes** and **Community Swap Shop event** on **Saturday 23rd October, 10 a.m. to 12 noon**. Bring your surplus garden produce and/or unwanted gifts to put on the table. People can take what they want and put a donation in the bucket if they wish. So why not come along, meet friends and neighbours and be part of your local community. **All welcome!**
