Stair Community Centre NEWSLETTER

Keep The Lights On

In October we saw the launch of our Keep The Lights On appeal. This appeal was necessitated by the continuing rise of electricity and heating costs at the centre. Many thanks to the folks of Stair and surrounding area who have generously donated one off and regular payments to the cause. Please keep them coming. Supporting Stair Community Association this way contributes directly to keeping the centre open and accessible for everyone to enjoy.

Flower Arranging Workshop

In October James Gemmell of JG Flowers held a workshop at the centre. He taught us how to create a stunning centrepiece with seasonal flora. Everyone was as pleased as punch with their colourful creations.
